Accessibility

General Information:

Our offices are **architecturally not accessible**, which might hinder people with disabilities or with prams or other bulky items as well as older people. Access to and use of the front and back buildings are made difficult by the following mobility barriers:

- ✗ Stairs or thresholds without ramp access
- ✗ No automated doors
- ✗ No wheelchair-accessible toilets
- ✗ No tactile ground surface indicators

If you need assistance or more information for your visit with us, our accessibility contact person is available by email at barrierefrei@initiative-musik.de or phone at **+49 (0)30 - 531 475 45 – 181**.

Front Building / Reception (Friedrichstraße 123):

You can access the front building via the front door (width approx. 96 cm).

Mobility barriers:

- ✗ 1 step to the door: height approx. 7 cm
- ✗ Threshold: height approx. 2 cm
- ✗ No automated doors

Alternatively, you can enter the building through the back door in the courtyard (width approx. 96 cm). However, there is no doorbell at the back. Mobility barriers:

- ✗ Threshold: height approx. 2 cm
- ✗ No automated doors
